Executive Doctor in Business Administration (EDBA)

An Executive Doctorate in Business Administration (EDBA) offers executive professionals a unique blend of advanced academic knowledge and practical business insights. It equips managers with cutting-edge research skills, enabling them to solve complex business challenges with innovative, evidence-based strategies. The degree enhances leadership abilities, fosters strategic thinking, and provides a competitive edge in the global business landscape. Additionally, an Executive DBA can open doors to academic opportunities, allowing professionals to contribute to the field through teaching or publishing, further establishing their expertise and authority in the business world.

The EDBA degree is a three-year online/hybrid program that allows you to enhance your career while working. The program can be also absolved in a 2-year condensed version. The program has two stages.

The first stage of the program will give you a solid foundation in applied business research and your research topic of choice. You will participate in seminars and do study assignments, which you will also use later in the program. In stage 1, you can participate in seminars online, or, in case of sufficient demand, some seminars will be organized in hybrid mode on campus with simultaneous live streaming. At the end of stage 1, you will be ready to do your research and write your dissertation, which is stage 2 of the program.

Costs:

The total cost (study fee) of the EDBA program is $ 34.000.
The payment scheme is as follows:

Three-year option	
Year 1	$11,333
Year 2	$11,333
Year 3	$11,333
Two-year option	
Year 1	$17,000
Year 2	$17,000

Accreditation

This program is offered via the University of Business Innovation and Sustainability (UBIS) (https://ubisglobal.com/about-us/). The EDBA doctoral degree is offered by UBIS under accreditation by the International Accreditation Council for Business Education (IACBE) located at 11960 Quivira Road in Overland Park, Kansas, USA (see: https://iacbe.org/memberpdf/UBIS.pdf).

Admissions Requirements

The admission requirements for the EDBA program are:
